euroPLX Targeted Sponsoring

euroPLX is one of the pharmaceutical industry's most international partnering events for business deals. Each euroPLX Conference sees 150-300 attending business development executives from an average of 36 countries.

Sponsoring a euroPLX Conference means increased visibility among exactly this international audience.

Sponsorship Opportunities

Sponsoring euroPLX 58 Munich

euroPLX 58 Munich will be held at the Hotel Sofitel Munich Bayerpost (<http://www.sofitel-munich.com>), located in the heart of Munich. euroPLX 58 Munich is expected to be attended by 200 to 250 business development executives from all over the world. Sponsoring this event will be an excellent opportunity to expose your company to a select group of decision makers in an outstanding environment.

Built in the Wilhelminian style, the hotel building housed the Bavarian Post Office until 1993. Munich-based architects Fred Angerer and Gerald Hadler redeveloped the property in Italian High Renaissance style, opening out the existing structure with spacious areas and high ceilings. Interior architect Harald Klein designed the rooms in French contemporary style, including ten fabulous themed suites.

Exhibition Stands

Exhibition stand space is offered in the pre-function area or foyer of the conference rooms. An exhibition stand will consist of a table (length 160 - 180 cm) to place laptop and literature with space behind for a pop-up stand of 200 cm maximum width.

The price includes the entrance for two people to assist with the stand throughout the event, including two lunches, one dinner, and coffee and refreshments.

The exhibition stand area is adjacent to the ongoing coffee and refreshment buffet which is always attended by those delegates who enjoy their individual breaks between meetings. This provides an excellent opportunity for approaching open-minded peers who are not in a hurry. All day long. This difference to regular lecture-type conferences with their 20-minutes coffee breaks is vital to your sponsoring success.

Custom Tailored Sponsorships

If your sponsoring needs to accommodate specific requirements, we will tailor a sponsorship to your specific needs or ideas. Please call.

Artwork for Advertisement

All advertisement artwork must be supplied to RauCon business development in high resolution PDF (190 mm high, 125 mm wide) not later than two weeks prior to the first conference day.

A written sponsorship agreement will list the benefits (e.g. what the sponsor will receive), duties (what the sponsor has to deliver, e.g. an electronic logo image), the cost for the sponsor, and will be signed by both parties.

The agreement will be accompanied by a formal invoice.

The sponsorship rates mentioned in this brochure are net. Sponsors with residence in Germany will be added 19% VAT to the invoiced amount. Invoices are payable within 4 weeks after date of invoice, but not later than 2 weeks prior to the sponsored euroPLX meeting.
